#### Omnilux Light Therapy

What is Light Therapy?

What is Light Therapy? Using LED technology, this is a safe, non-invasive facial to give you instant results. Your skin will look more radiant and feel smoother and plumped. 'Smooths away wrinkles at the speed of light'.

LED light is designed to stimulate your own natural collagen and elastin production without any harsh lasers. Light Therapy originated in the UK to help promote gentle healing for patients after surgery.

For best results we recommend a course of treatments.

**Omnilux Revive Facial** ½ Hr Facial \$130

**Photo Rejuvenation Facial** 1 Hr Facial \$165

**Omnilux Revive with any other Facial** \$80

**'It's All About You' package** \$1300

**HydroPeptide & Omnilux Light Therapy Facial** 1 ½ hours \$190

Our most luxurious facial, your therapist will choose from Anti-Ageing, Brightening or Calming.

HydroPeptides are the latest BUZZ in the beauty industry: using apple stem cells, rich vitamins A, C, E and liquorice extracts, your skin will be left ultra smooth, hydrated, plump and transformed.

**Triple Boost Facial** 1 ½ hours \$220

This facial has been designed by our therapists and is a combination of all our favourites from across our product ranges. Includes a HydroPeptide cleanse/toner, Puri peel, Omnilux light therapy, a Clarins Professional Radiance Mask and a vitamin ampoule booster.

#### Puri Facials

Choose from Coffeeberry, LCA, Idebenone

**Puri Coffeeberry** is an extremely potent antioxidant – 3x more powerful than green tea! Coffeeberry extract delivers superb anti-aging benefits including a visible reduction in fine lines and wrinkles and a dramatic reduction in irregular skin tones.

**Puri LCA** contains the LCA Complex which represents the latest in AHA scientific breakthroughs combined with advanced antioxidants to deliver visible results. Containing high levels of moisturising lactic acid and time-released liposome delivery, the LCA facial promotes multi-layer skin renewal.

**Puri Idebenone** delivers a whole new level of skin rejuvenation that you cannot get from AHA, Vit A, Vit C or other Cosmeceuticals because of its absolutely unique mode of action. If you have reached a plateau with your current skincare regimen and want the highest level of skin rejuvenation you can only get this from PRIORI® Idebenone Complex Superceuticals.

Please note: These peels require homecare prior to treatment and the client must fill in a consent form before treatment.

We recommend a course of peels for best results.
